MEMORANDUM FOR: EX/SP

SUBJECT: Dr. Gustav Hilger and Wife, Marie Hilger

1. The subjects' visitors permits expire 1 August 1950. In accordance with our conversation of 14 June, it is requested that you ask the Office of the General Council to inform the I & N Service of our continued interest in them and to request that Service to act favorably on their application for extension of stay. This office will notify the subjects to submit their application to the proper emigration authorities immediately on advice of the Office of the General Council.

2. The subjects received their last extension through a Mr. Murphy of the I & N Service. When they received their last extension, they were told to request future extensions at least one month in advance of the expiration date.

3. The subjects are very anxious about efforts which are being made to adjust their status to permanent residents. We would be interested in knowing how the efforts in this direction are proceeding.
